

HDS-21R

2:1 HDMI Switcher + RS-232

HDS-21R, HDMI Switch allows two different digital (video & audio) sources to share one video display. Our unique switch allows easy switching between two different digital sources using remote control unit or the manual switch in front. Perfect for home theater systems no more hassles of manually plugging in different HDMI Connectors to view different video sources. (ex: DVD Player, Set-top Box, DVR)

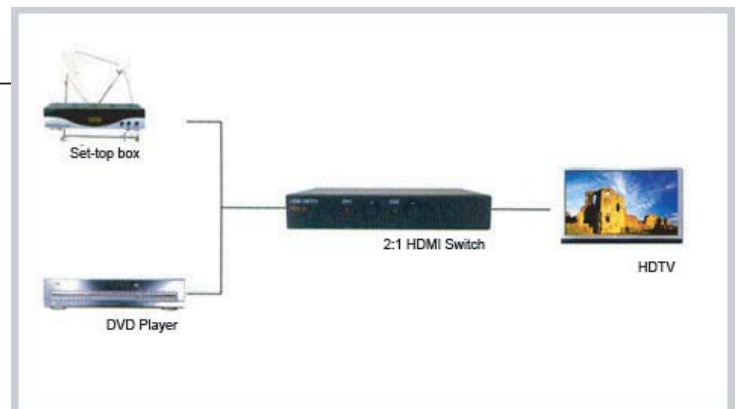

MAIN FEATURES

- Connects audio & video to HDMI compatible HDTV, LCD Monitors or Digital projects
- Supports resolution up to UXGA (1600*1200) at 60Hz refresh rate, ATSC HD: 480p, 720p, 1080i/p
